Merged from two or three sources
5.3% of all jobs

2,584

Open on employer boards

Still listed at the last pull
Of 2,761 jobs tracked on employer boards

174

New openings

Employer-board jobs not in the first pull
Seen 20 to 28 September 2026

What this data says

1. Riyadh region holds 51.5% of jobs with a known region.

2. 1,008 jobs (5.3%) were published on more than one source and merged into one.

3. 20.2% of jobs come from recruitment agencies and 13.6% do not name the employer.

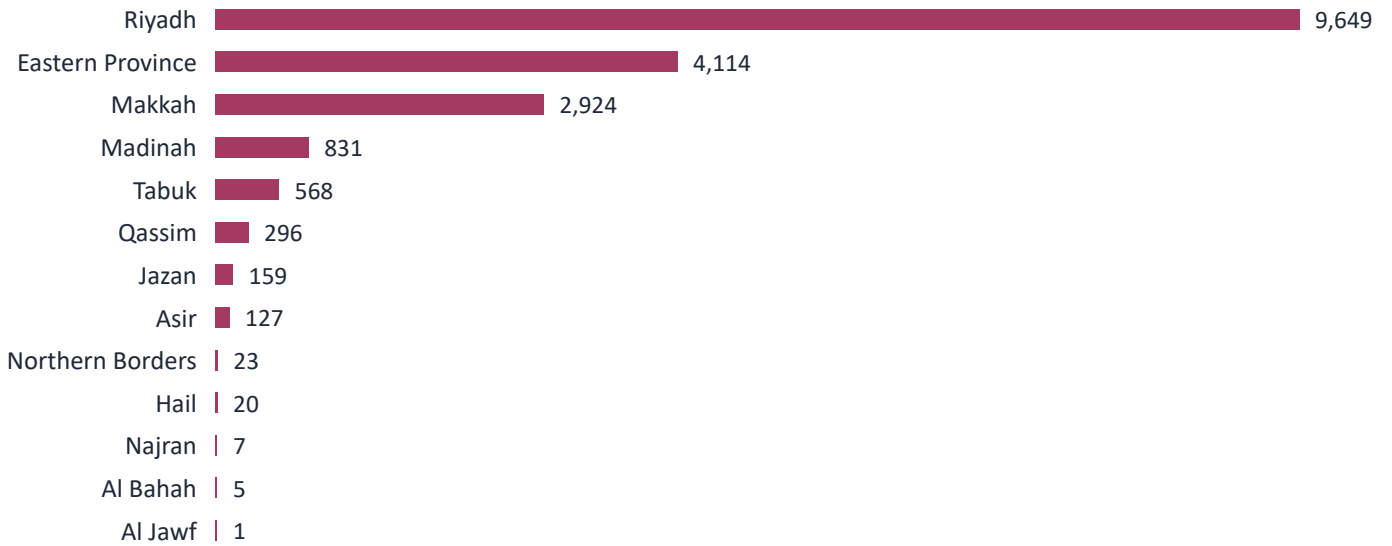

4. English is mentioned in 25.9% of jobs with a full description.

5. On employer boards, 2,584 jobs are open, 177 disappeared after a median of 42 days, and 174 new openings appeared.

Open, disappeared and new openings cover employer-board jobs only (2,761 of 19,148); aggregator search results have no open or closed status.

Riyadh region holds 51.5% of jobs with a known region

Based on 18,724 jobs; 424 jobs name only Saudi Arabia and are shown separately

Clear filters

Full-time is 93.1% of jobs with a stated employment type

Based on 6,743 jobs with a stated type (35.2% of all jobs)

Mid-Senior is the most stated level in Riyadh (55.4%) and the Eastern Province (50.0%)

Levels stated by the Workable and SmartRecruiters boards (1,804 jobs); regions with fewer than 20 such jobs are hidden

Region	Associate	Director	Entry	Executive	Internship	Mid-Senior
Eastern Province	15.8%	1.1%	31.6%	0.6%	0.8%	50.0%
Madinah	8.8%		64.9%	7.0%		19.3%
Makkah	15.8%	3.5%	40.5%	8.5%		31.7%
Riyadh	9.6%	10.6%	17.7%	4.3%	2.4%	55.4%
Tabuk	4.3%	3.8%	56.8%	1.6%	0.5%	33.0%

OnSite is 88.8% of jobs with a stated workplace type

Stated for only 5.4% of jobs (1,033), so read with care

Reading the levels

Entry is the most stated level in Madinah (64.9%), Tabuk (56.8%) and Makkah (40.5%).

Levels guessed from job titles are left out: the title rules can only return Internship, Mid-Senior or Director, so mixing them in would push every region toward Mid-Senior.

Experience level is known for 39.1% of all jobs; employment type for 35.2%.

Market dynamics

Employer boards only: new = not in the first pull; disappeared = no longer listed by a later pull
